Signature Slim Wired Combo MK620 for Business

Signature Slim Wired Combo MK620 for Business offers an improved user experience for workplaces that require wired solutions. This *USB-C* combo provides a fluid, high-quality typing feel with laptop-style keys and super fast scrolling with an ambidextrous mouse. Works with multiple OS platforms.

logitech[®]

- **Improved typing:** Laptop-style keys are thoughtfully designed with a subtle scoop to deliver a fluid and precise typing experience that your employees will love.
- **A mouse for everyone:** The ambidextrous mouse improves productivity with SmartWheel technology, enabling line-by-line or super fast scrolling. Mouse sensitivity can be adjusted with the DPI button.
- **Productivity shortcuts:** Enhance workflow with additional shortcuts such as an AI Launch Key, meeting control keys, and an Action Key. Customizable with Logi Tune or Logi Options+.¹
- **Quiet typing and clicking:** Stay focused with quiet keys and clicks that are light to the touch. Silent Touch technology produces 90% less click noise from the mouse.²
- **Multi-OS compatibility:** The combo works with *Windows*, *ChromeOS*, or *macOS* with a simple toggle switch that IT can set up at deployment or employees can adjust when they sit at the desk.
- **Improved power efficiency:** Signature Slim Wired Combo is designed with a power-saving model that consumes 49% less energy on the keyboard and 50% less on the mouse.³
- **Designed for sustainability:** Made with a minimum of 66% post-consumer recycled plastic⁴ and shipped in FSC™-certified paper packaging.

¹ Customize device settings by installing the Logi Tune or Logi Options+ app available on Windows and macOS at logitech.com/tune or logitech.com/optionsplus.

² Click noise reduced by over 90% compared to Logitech M185. Left click and typing dBA level measured by an independent lab at 1 meter.

³ Compared to the Logitech K120 keyboard and M100 mouse.

⁴ Excludes plastic in printed wiring assembly (PWA), cables, receiver, and packaging.

⁵ Copilot requires Windows 11 or later and Gemini requires Chrome version 133.0.6882.0 or above. For more details, visit logitech.com/support/MK620B

⁶ Meeting control keys require Logi Tune or Logi Options+ installed to get full functionality. Mute microphone key works out of the box on Microsoft Teams and Webex on Windows. For more details, visit logitech.com/support/MK620B

⁷ Logi Tune and Logi Options+ app are currently not supported. The device's basic functions will work without software.

⁸ Requires Logi Tune downloaded on individual laptops.

⁹ Sold separately on logitech.com and selective channels.
